

Different Courses Taught

LEANDROS PERIVOLAROPOULOS

(1) **Introductory Computing (PH105)**

Physics Department, University of Crete
Fall Semester 1996-1997

(2) **Concepts of Modern Physics (PH103)**

Physics Department, University of Crete
Fall Semester 1996-1997 and Fall Semester 1997-1998

(3) **Introduction to Cosmology**

Physics Department, University of Crete
Spring Semester 1996-1997

(4) **Introduction to Theoretical High Energy Physics**

Physics Department, University of Crete
Fall Semester 1997-1998

(5) **[New Technologies in Education \(PH652\)](#)**

Physics Department, University of Crete
Fall Semester 1998-1999

(6) **[Open and Distance Learning](#)**

Hellenic Open University
Fall and Spring Semesters, 2000

(7) **Introductory Physics and Math**

Hellenic Open University
Fall and Spring Semesters, 2002- 2014

(8) **Classical Mechanics I**

Physics Departments, University of Ioannina
Fall Semesters, 2002-2005

(9) **Classical Mechanics II**

Physics Departments, University of Ioannina
Spring Semesters, 2002-2005

(10) **Classical Electrodynamics I**

Physics Departments, University of Ioannina
Fall Semesters, 2005-2011 and 2015 - Present

(11) Classical Electrodynamics II

Physics Departments, University of Ioannina
Spring Semesters, 2005 - 2010

(13) Gravity and General Theory of Relativity

Physics Departments, University of Ioannina
Winter Semesters, 2019 - Present

(14) Gravity and Cosmology (Graduate Course)

Physics Departments, University of Ioannina
Spring Semesters, 2006- 2007 and 2015 – 2019

(15) Cosmology

Physics Departments, University of Ioannina
Spring Semesters, 2014- 2015 and 2019 - Present

(16) Quantum Mechanics II

Physics Departments, University of Ioannina
Spring Semesters, 2011-2016

(15) New Technologies in Education

Physics Departments, University of Ioannina
Fall Semesters, 2011-2016
